

Good morning all;

First, you may notice a little difference on the e-mail "TO:" line on future e-mails from LLI. You will see llimanassas@gmail.com or perhaps along with your name. This is because we are sending communications now as a "blind copy." If you have any discernable problems please let me know by sending the information to llimanassas@gmail.com.

We are fast coming to the end of November and the crescendo of holiday tasks becomes more demanding and this becomes a time when things get left out. So here is the list of LLI-Manassas things that you can do right now. Don't let them get left out!

1. If you haven't reserved your spot at the Winter Celebration better do it now. Only about 40 of us have. Either e-mail Alice Davis, aliced2246@aol.com or call Joyce Mancini, (703) 743-1622 and reserve now – December 2 is not far away. One note we didn't cover in the last *UPDATES* – guests are welcome so long as there is sufficient space for all members – cost is \$18.00 per guest. Either Alice or Joyce will let you know if there is still space.

Better do it now so you won't miss out on good food, good friends and good fun.

2. The Wrapping Parties for the Be A Santa To A Senior are scheduled for:

December 7th
Occoquan Bible Church

3700 Old Bridge Road
Woodbridge, VA 22192
5:30 p.m. – 8:30 p.m.

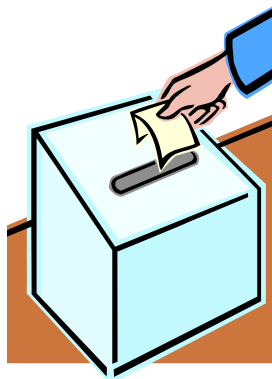

December 9th
Park West Lions Club
Community Center
8620 Sunnygate Drive
Manassas, VA 20109
5:30 p.m. – 8:30 p.m.

They are fun and you are invited. But for those of us who don't plan to participate in the Wrapping Parties it means that our gifts need to be in the pick-up boxes before December 7. Don't forget there are 1300 seniors in the Manassas area who will be a lot happier on Christmas if we remember them with our gifts. A gift pick-up point can be found in the office at NOVA Innovation Park.

3. Help LLI-Manassas move itself from one of the best kept secrets in Prince William County. LLI-Manassas fills a need for not just our current 200+ members but for many who don't even know we exist. Your nomination for LLI-Manassas to be selected as the winner of the Agnes Colgan Community Service Award is like putting LLI-Manassas up in blazing lights on the front of the Manassas Old Town Railroad Station.

If you believe LLI-Manassas is important to your county – send in your nomination. Remember the power that revived Tinkerbell in James Barie's *Peter and Wendy* classic? Clap your hands if you believe – well, if you believe in LLI-Manassas mail in your nomination -- *Chamber of Commerce, 8963 Center Street, Manassas, VA 20110* before December 1, at 5:00 PM. (Lost the form find one on www.pwcgmcc.org.)

4. Folks are pre-registering for the trip to see the Terra Cotta Warriors. Currently we have 31. If you are interested you had better let us know. If we see there is interest in more than the 40 spaces currently reserved we will start actions to obtain reservations for more – there may still be time before the Exhibit fills on that day?

*Below are some pictures with the caption **Exhibit Wows Visitors***

I wish you all a happy Thanksgiving – and I hope that you, your loved ones and your friends all feel the spirit.

Very respectfully,

Perley
